

TRACON VI TO HOST THE WCS PRELIMINARIES FOR FINLAND

Press Release, 20th July 2011

The Finnish representatives for next year's World Cosplay Summit will be selected at Tracon, Tampere in September. The preliminaries are bound to attract the best cosplayers of Finland to compete for the opportunity to represent Finland in World Cosplay Summit.

Tracon is a convention for role-playing game and anime/manga enthusiasts. The sixth annual event will be held from Saturday 3rd September to Sunday 4th September 2011 at the Tampere Hall, in Tampere, Finland. Known for an audience enthusiastic about cosplay and organizers with a positive attitude towards cosplay, Tracon offers the best possible framework for the World Cosplay Summit preliminaries in Finland. The Main Auditorium of the Tampere Hall has an excellent stage and seats for 1,800.

In addition to cosplay, Tracon VI features a wide repertoire of lectures and other interesting program about anime and role-playing games. Compared to other similar events in Finland, Tracon excels in interactive program: workshops, tournaments and the like. The Guest of Honor for this year's Tracon is Yoshihiro Takahashi, best known for the Ginga Nagareboshi Gin and Ginga Denset-su Weed mangas that are immensely popular in Finland. Expected attendance is over 3,500.
